Using the HomeSnap App for iPhone and Android

iPhone

Step 1: From the Me screen click on the image of the property.

Step 2: Click the little square icon in the bottom, right corner.

Step 3: Click the Email icon.

Step 4: Enter the Email address and click Send

Android

Step 1: From the Me screen, click on the image of the property.

Step 2: Click the Vertical 3 Dot menu and then click "Send in Message".

Step 3: Enter the Email address and click Send. (You may need to select the From email if you don't have a default one set up.)
